

Special Districts - Conservation

Property Tax Levy: \$ 4,062,402

Conservation special districts perform surveys and research on range management, erosion, floods and the preservation of water and the works projects needed in an area. They also conduct regular demonstrations of techniques in these areas to help area businesses improve their use of resources. They regularly produce plans for future conservation efforts and are limited to a 1 mill per every dollar assessed levy. They are provided for under WS 11-16.
