

Special Districts - Recreation

Property Tax Levy: \$25,997,524

Recreation special districts provide a wide range of services including but not limited to acquiring land for parks and airports, building public auditoriums and athletic fields, hire trained recreation supervisors, the building civic centers and controlling, maintaining and managing these facilities and spending money for recreational purposes.

Recreation special districts are provided for under WS 18-9 and are limited to a 1 mill levy.
