

Special Districts - Water and Sewer

Property Tax Levy: #####

Water and Sewer special districts provide and treat water for domestic purposes and distribute water, along with acquiring water rights and facilities and water lines. They also provide sanitary sewers, sewage treatment facilities, disposal plants, treatment and disposal works, storm sewers and flood and surface drainage, among other things. They can not include towns or cities in their special district without the town or cities written consent and they are provided for under WS 41-10 and limited to an 8 mill levy.
