

Special Districts - Fire

Property Tax Levy: \$ 26,925,786

Fire special districts are charged with providing not only fire protection but imposing fire safety standards and taking preventative measures in their respective districts. They are provided for under WS 35-9 and limited to 3 mills per every dollar assessed to raise funds for their operations. This is also based on the assessed value of the proportion of the county they cover and its estimated needs.
